All the information provided in this application is true and correct, including my child(ren)'s address. I understand that providing inaccurate information can void my application.

I understand that this application only enters my child(ren) into the lottery for the schools I selected, if applicable. The application does not mean that my child has been selected for an open seat. I further understand that if I submit an application after the application deadline has passed or for the current school year, my child(ren) will be placed on the charter school's waitlist and I will only be contacted by the charter school if a seat becomes available for enrollment in accordance with its approved admissions and enrollment policies. The submission of an application after the application deadline has passed or for the current school year does not make me eligible for entry into a charter school's lottery.

I understand that the school(s) to which I applied will contact me with the results of my child's application and any other information, including the enrollment procedure if my child is selected in that charter school's lottery.

I understand that this application cannot be used to apply to any non-participating charter schools or School District of Philadelphia schools, which run a separate enrollment process.
